

## Digital Delivery

How to unzip your folder.

1. Before purchasing, please make sure that you have added us to your address book to make sure that your purchase does not go to the junk mail folder.
2. Within 24 hours you will receive an email that contains the resources you have purchased.
3. Save the file(s) to your computer.
4. You need to extract the PDF from each zipped file before you can use it. Right click on the zipped folder and click Extract All.
