

# Why Don't You... / How About You...

Why don't you...

VERB PLAIN PAST +ら どうでしょうか

Remember you already know other ways to give advice too:

VERB て form 下さい

VERB PLAIN PAST 方がいい です/と思います

Examples:

環境を守るために、オーストラリアも日本のように、燃えるゴミと燃えないゴミを分けたらどうでしょうか？

In order to protect the environment, like Japan, why doesn't Australia separate burnable rubbish and non-burnable rubbish?

森の動物や鳥のために、木を植えたらどうでしょうか？

Why don't we plant trees for the animals and birds of the forest?

For the next activity, you need to remember and use the pattern

VERB ん です

As this places emphasis on what you are saying.
